Garden Competition!

The garden area between the year 3/4 playground and the hall hasn't been used for a while so we have decided to let the children take control!

We are giving you the chance to design the layout and the chosen garden will be created. Attached is the template, which you can either print out and complete, complete digitally or draw for yourself - just make sure you add your name, so we know who has created the entry!

Be as imaginative as you like, think planters, sensory, colour - the choice is yours.

Once we have decided on a winner we're hoping the children (and school community) will get involved to create this.

Entries will be a £1 and all proceeds to go towards the cost of the supplies.

Please have all entries in by 25th October 2024.

If you're struggling to print please pick up a form from the office.
