

Ravensdale Junior School - Warwick Castle

Date of Visit: Wednesday 24th May Year group: 4

Dear Parents and guardians,

Purpose of the visit	We have booked a very exciting trip to Warwick Castle. This fits in with both our history and geography topic and also will help to support our writing as we will be writing about how to successfully attack or defend a castle. This will allow us to not only look at a Castle and its defences but at how stately homes worked.
Lunch	Parents to supply on the day. This must not include nuts, fizzy drinks, yoghurts, sweets or chocolate
Clothes	School uniform.
Medication	Make sure your child has had any travel medication prior to arriving at school and that this is also handed in to a member of staff for the return journey (if needed). If your child has any other medication please ensure this is handed in to a member of staff with the medical form.
Pocket Money	No money needed
Timing	Leave at 8.30am, returning at about 4.30pm
Insurance	Insurance is included in the price

We are sure you are all aware that school budgets are very tight and that it is necessary to ask for funding for extra-curricular visits. We do try to keep costs to a minimum and aim to provide real value for money. If insufficient contributions are received, the visit may have to be cancelled.

On this occasion we would ask for a contribution of **£24.00** per child. Please speak to your child's class teacher as soon as possible if you have any difficulty with payment. If there are any queries, please contact the school office. Payment is preferred using 'school money' but can also be given in cash or paid on card at the office. A reduced payment (50%) of **£12.00** is applicable for pupil premium children.

Yours faithfully,

Miss K Florey, Mrs K Wyke and Mr J Arthur

Headteacher: Zoe Cannon
