This is a summary of how our school delivers music education to all our pupils across three areas – curriculum music, co-curricular provision and musical experiences – and what changes we are planning in future years. This information is to help pupils and parents or carers understand what our school offers and who we work with to support our pupils' music education.

Part A: Curriculum music

This is about what we teach in lesson time, how much time is spent teaching music and any music qualifications or awards that pupils can achieve.

Curriculum Access and Allocation: We publish our music curriculum for each year group online, detailing how we increase access for disabled pupils and support SEND students. Our curriculum information specifies the weekly time allocation for music education per key stage and term or half-term of the academic year. For more details, refer to our Music Curriculum Progression Documents [

Guidance and Opportunities: Our music curriculum follows Charanga original scheme, the national curriculum for music for teaching music across Key Stage 2 . We offer opportunities for pupils to learn singing or instrument playing during lessons, including whole-class ensemble teaching.

Partnerships and Support: We collaborate with local music hubs and other music such as Rock Steady and The Derbyshire Partnership to enhance our music program and provide additional support for our students.

Part B: Co-curricular music

This is about opportunities for pupils to sing and play music, outside of lesson time, including choirs, ensembles and bands, and how pupils can make progress in music beyond the core curriculum.

Music Tuition Options: Our school offers a range of music tuition outside lesson time, including one-to-one, small-group, and large-group sessions for both instrumental and vocal training. This includes tuition for various instruments such as violin, guitar, clarinet and flutes with detailed information on charges, remissions, and subsidies available for eligible families, such as those qualifying for pupil premium.

Ensembles and Music Groups: Pupils can join various ensembles outside lesson time, such as choirs, vocal ensembles, instrumental ensembles, bands, and other music-making groups. Children audition for the choir and rehearsals take place once a week

Progression and Opportunities: Pupils can advance in music through instrument loans, weekend, after-school, or holiday programs like Saturday music centres, and by achieving qualifications or awards. Facilities are available for individual or group practice and rehearsal. The school also benefits from partnerships with local music hubs and other music education organisations to support co-curricular music activities. As a school we are developing advertising for these programs in the next academic year.

Part C: Musical experiences

This is about all the other musical events and opportunities that we organise, such as singing in assembly, concerts and shows, and trips to professional concerts.

Planned Musical Experiences: The academic year includes regular musical activities such as singing in assemblies, school musical performances, concerts, and shows, along with trips to external concerts. These events are designed to involve pupils from various year groups either as participants or audience members. Our school annually participates in a Christingle and a Christmas Concert, pupils in Year 6 also have taken part in an End of Year production-Alice in Wonderland. This year we also participated in collaborative and community celebration event for Remembrance day. We worked with three other school's in Mickleover. Our choir also performed for the local church community during community action week.

Participation and Support: The school collaborates with local music hubs and music education organisations to enhance these musical experiences. These include opportunities to perform in cross-trust events such as bi-annual Performing Arts Festivals and the yearly Transform Choir performance.

In the future

This is about what the school is planning for subsequent years.

Planned Improvements: Future plans include enhancing curriculum music by increasing lesson time to one hour per week each term, introducing new instruments, and organizing termly school performances. We will continue with our Autumn and Summer performances, the Transform Choir and Young Voices. These changes aim to align with the 7 features of high-quality music provision.

Implementation Timeline: Specific improvements are scheduled for phased introduction in the coming years, with detailed timelines for each initiative to ensure a structured and effective enhancement of music education and experiences. More information about the improvements can be obtained from the school.
