

# Year 3 Homework - Summer 2

## Activities you must try:

### Maths:

- Practice your times tables (TT Rockstar is very useful for this)
- Engage in the homework set on Magma Maths

### Reading:

- Ensure you are reading at least 5 times a week and recording it in your home/school diary

### Spellings:

- Half termly spelling overviews are attached. Please ensure you are practicing these and the Year 3 and 4 spelling list you can find in Reading Records.

## Activities you should try:

### Science:

- Experiment with materials around the home. Which can you see through? Which let light through?  
or
- Create puppets and make a shadow puppet show. We would love to see a video or pictures of this.  
or
- Make a home made periscope using reflection. Instructions can be found here.

### History:

- Build a Stone Age shelter.  
OR
- Create a fact file or quiz about the Stone Age, Bronze Age or Iron Age.

## Activities you could try:

### DT:

- Research about cave art  
or
- Create a piece of stone age art. You could use clay, mud and sticks, paper and pencil, be creative. We would love to see a picture of these on dojo.  
or
- Create your own modern day art using your handprints

### French:

- Create a shop  
or
- collage of a fruit basket with the fruits you know in French, and label it.
