

Year 6 Homework - Summer

Activities you must try:

Maths:

- Practice your timestables daily
- Engage in the homework set on either LbQ or Anton (this will alternate each week with Reading)

Reading:

- Ensure you are reading at least 5 times a week and recording it in your home/school diary
- Engage in the homework set on either LbQ or Anton (this will alternate each week with Maths)

Spellings:

- Spellings will be posted on ClassDojo weekly. Ensure you are practicing ready for a test on Friday.

Activities you should try:

Science:

- Design an animal for a habitat (desert, Arctic, jungle). Label and explain how its features help it survive.
- Create a fact file or poster on Charles Darwin. Include his discoveries, the HMS Beagle and why he is important to science.
- Look at family members (or photos) and list inherited traits (eye colour, hair, etc.).

History:

- Create a Quiz - Use the link to the website below to help you to find out about Baghdad in 900AD. Create a multiple-choice quiz for your friends. <https://www.youtube.com/watch?v=WVM1xEdp83Q>
- Become a Historian - Record a short "documentary" (video or audio) about life in Baghdad. Include details about daily life, education, trade, and the House of Wisdom, and present it like a real TV programme.

Activities you could try:

Art:

- Research Islamic art patterns and try drawing some of your own
- Find tessellating patterns around your home or local area and photograph/draw them.

French:

- Label a drawing of your school (classroom, hall, playground) in French.
- Record yourself describing your school in French (simple sentences).
